

## About Schreiber Pediatric

Schreiber Pediatric Rehab Center is a non-profit organization that provides family centered education and therapy programs for infants, children and adolescents with disabilities and developmental delays across Central PA.

Our goal oriented approach maximizes each child's ability to function as independently as possible within the community.

Support Schreiber Pediatric and the thousands of children we serve each year by participating in our 12th Annual Bowl-a-thon! This event is a wonderful way for you and your family to support the Schreiber kids.
