

BEQUEST & CHARITABLE DESIGNATIONS

Leave a Legacy

Help ensure a bright future for children with congenital, developmental or acquired disabilities by making a provision for Schreiber Center for Pediatric Development in your estate plans.

A bequest, a statement in your will or living trust describing your wishes to make a gift to Schreiber after your death, is the simplest way to preserve your legacy gift to Schreiber.

Charitable designations can also be made through a retirement plan or IRA, life insurance and/or revocable and irrevocable trusts.

Establish a Bequest or Estate Designation for Schreiber

1. Contact Danielle Sunday, Director of Fund Development at 717-393-0425 ext. 108 or via email at dsunday@schreiberpediatric.org.
2. Create or modify a will or living trust by adding a codicil (see sample language on reverse side)
3. Provide Schreiber with a copy of your will or other beneficiary designation.

Become a Member of The 1936 Society

In 1936, Edna Schreiber founded what is known today as the Schreiber Center for Pediatric Development. In recognition of our founding year, Schreiber established The 1936 Society as a donor recognition society for those who leave a provision for Schreiber in their estate or through another planned giving vehicle.
