## Thank You for Fifteen Wonderful Years

Retirement! How can I put into words the amazing experience I've had at the Center over the past fifteen years? In my sixty-four years in the healthcare field, I have held many rewarding positions but none have been more personally gratifying than being the President of Schreiber Pediatric Rehab Center.

I've had the honor of meeting many remarkable individuals—children, youth, mothers and fathers, guardians, staff, Board members, volunteers and supporters. They have all enriched my life and the daily interaction is something I will miss dearly.

I have also been blessed to observe the positive affects the Center's staff has on the children and youth it serves. How could one not be amazed to see an eleven-year-old girl take her first step, or a six-year-old boy say his first understandable word, or see the smiles on the faces of the preschool and daycare students as they learn about colors, shapes and animals?

If I were asked to list the high points of my career with the Center, I would be hard-pressed to do so since there were so many. But what I can say is that there are a couple of things that impressed me from my very first day in the office and remain the same today:

- The dedication and determination of each member of the Center's staff to provide the highest quality of care to the children and youth it serves

- The skill-level and commitment provided by our Board members to assure on-going development and growth
- The amazing and generous volunteers who log hundreds of hours and help with everything from housekeeping to administrative work to fundraising

- And of course, the community at large for understanding the need and value of a place as special as Schreiber Pediatric in Lancaster County and supporting its mission

All of these things work together to make Schreiber the wonderful place it is today. My wife, Betty Jean, and I thank the community for allowing us to be a part of this great organization that does so much to change disabilities into abilities every day and look forward to seeing what's in store for its future.

## Softball Weekend Appreciation

Softball Weekend wouldn't be the same without the support of the Fraternal Order of Police, Red Rose Lodge #16 (FOP). The organization has been a driving force behind this successful fundraiser for 30 years! In April, they even surprised Mr. Jefferson by presenting him with a plaque for his service and dedication to the Center. Thank you to the FOP, as well as all the committee members,

volunteers, sponsors, vendors, staff, team captains and players, who made this year's Softball Weekend a success!

## Two Kids with Big Hearts for Schreiber

**Seven-year-old Sachi Singh's parents should be very proud of their little girl.** In lieu of gifts, this birthday girl asked her friends and family to make a donation to Schreiber Pediatric after learning about the needs of others in the local community. She truly enjoyed her tour of the Center, especially a quick swing in the Occupational Therapy sling, and hopes to do it again when she turns 8!

**Alex Oleska of Troop 281** recently presented his final Eagle Scout Project to Schreiber. He designed and then created wooden crutch holders for our Physical and Occupational Therapy Departments. As one therapist happily exclaimed, "Thank you, Alex! No more tripping hazards around the gyms!"

Pictured with Alex are Lead Therapist, Angie Rice, and Physical Therapist, Megan Roland.

### Therapy Supplies Needed!

The Occupational Therapy Department is looking for some "little things" that make a BIG difference! Your donation of the following items is greatly appreciated.

- PLAY DOUGH
- CHALK
- BUBBLES
- STAMP PADS
- DRY ERASE MARKERS
- WATER COLOR PAINTS
- CONSTRUCTION PAPER
