From the Desk of James DeBord, Schreiber President:

I spend a lot of time in the community, speaking to groups, attending breakfasts, lunches and dinners. I meet a lot of people who know about Schreiber. They might have attended the Rubber Duckie Race (coming up this year on

Sept. 11). Or they might know about the therapy work we do.

I love talking about that, but I also enjoy telling people about all the other fantastic things that happen at Schreiber, which often they don't know much about.

Things such as our summer camps. Most of the kids who come to our camps would never be able to have that experience without us. The same goes for our recreation programs, which give kids an opportunity to socialize through activities such as bowling, dancing and going out to eat. And our day care and preschool programs, which help break down barriers by having children who happen to have special needs learning in the same classroom as their typically developing peers.

We've learned over the 80 years Schreiber has been around that we can serve our families in many different ways.

It is with that in mind that we invite our friends in Lancaster County and beyond to join us here at the Center on Saturday, June 25, for a special 80th Anniversary Open House. We have plenty of fun planned. Steven Courtney will be here with his distinctive brand of kid-friendly music. A crew from the Central PA Avengers will bring their superhero excitement. There will be bounce houses and food vendors, and we even have a talent show planned that will include staff participation.

But the part of the day that I'm most looking forward to is bringing people into the Center to see what we do. Therapists from all of our departments will offer demonstrations throughout the day. It will be one day where the public can come and get a little taste of how our therapists make miracles happen every day.

So tell your friends to join us. Tell them it's free, it will be fun, and they will learn a little bit more about what makes Schreiber special. See you on June 25.

Sincerely,

Treatment of autism, one mother's story: Reenie Panzini

"Sophia was diagnosed with autism when she was 8, and we had just moved to Lancaster from New York City. Her pediatrician told us about Schreiber, and we practically ran there! We didn't know anything about therapy or autism, and we were literally walked slowly through everything step by step. Sophia learned to have conversations, hold writing instruments, walk up and down stairs without crying, and so much more. We (as a family) learned that we're stronger than we thought, and that you can get through anything with enough love and a lot of humor."

The Panzinis are a Schreiber Ambassador family this year. Sophia is 19 and a regular at Schreiber's Club 625 events. Reenie has led the effort to create a Club 625 Parents group, which holds its meetings the same nights as the club's events. Attendees talk about issues related to youth and older teens with special needs who are transitioning out of the pediatric system.

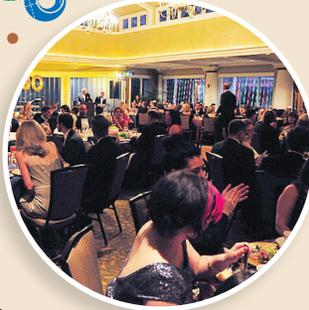

Special Events Update

LOOKING BACK...

34th Annual Gala: Our special 80th anniversary celebration, Cheers for 80 Years, was a

smash, drawing the highest number of attendees — 284 guests filled Lancaster Country Club's ballroom — and raising the most money — more than \$150,000 — of any Schreiber gala. We extend our sincerest thanks to the generous sponsors, ticket buyers and auction bidders who supported the event, as well as to the many businesses and friends of Schreiber that donated silent and live auction items. Thanks also to our dedicated team of volunteers, from the Gala Committee members to the many people who helped us keep the event running smoothly.

LOOKING AHEAD...

Schreiberpalooza:

Our annual music festival moves to Clair Brothers' state-of-the-art demonstration space in the company's Manheim facility on

Saturday, Sept. 10. The larger space means a bigger, better event, and we already have Corty Byron and the Mama Tried Band confirmed.

Rubber Duckie Race™: Join us as we send up to 25,000 ducks down the Conestoga River at Lancaster County Park. Ticket sales begin July 1. Race Day is **Sunday, Sept. 11.**

DON'T FORGET...

Our **Helping Hands Campaign** continues through May 20 at nearly a dozen participating businesses around Lancaster County. Buy a card and help show support for Schreiber kids. Go to www.schreiberpediatric.org/helpinghands/ for the list of locations.

THERAPY SPOTLIGHT

Progress for Teddy

Three engineering students from Elizabethtown College, all seniors, waited and watched as Schreiber therapists Megan Campbell Roland and Alissa Popalis gently slipped 3-year-old Teddy Rhoades into what looked like a life vest.

It was no ordinary vest, though.

Inside the vest, the three students had built a small vibrating motor. They had spent more than a year researching and doing early work on the design, and they came to Schreiber in April for the first test.

Megan has had success working with a hand-held vibrating device during home visits to Teddy and his mom, Jaclyn. Teddy suffers from hypoxic brain injury, brain damage from lack of oxygen. His mom found him face down in his crib when he was 3 months old, blue and not breathing. She revived him, but the damage left him with cerebral palsy, which affects body movement, muscle control, muscle coordination, muscle tone, reflex, posture and balance.

The vibrations stimulate the muscles to activate spine and trunk erection. The students observed one of these visits and saw what a struggle it was to hold Teddy and use the device. They thought a vibrating vest might free up their hands and make the session easier and more productive.

Scott Martino of Cortazzo Foods** and **Elks Lodge #134** hosted another Italian Day Dinner in March, and the groups raised several thousand dollars for the Center.

And thank you, too, to the groups organizing these upcoming fundraisers:

- May 17-19: Koser Jewelers** in Mount Joy will donate 20 percent of Alex & Ani sales those three days to Schreiber.
- June 3: Students in Laurie Fellenbaum's second-grade classroom at Schaeffer Elementary School** are raising money for Schreiber during the second Fellenbaum Fun Fair.
- June 24: Employees of Fulton Financial** and their families will support Schreiber with food sales and activities throughout the day.
