From the Desk of James DeBord, Schreiber President:

We put a lot of time and energy at Schreiber delivering the vital services to the families we see. And we are only able to do this with the generous community support of people like you.

Raising money is a constant challenge for us, but it's one we accept as just part of our work. It is true that we have broken numerous fundraising goals recently, and the Center is raising more money now than ever before in its history. At the same time, more children and families are coming to us for our life-changing services. Your generosity means we can continue to meet this ever-increasing demand.

More money means we can reach more kids who need our help. It's that simple.

Still, we recognize it's difficult to sustain these fundraising increases indefinitely. There's too much uncertainty. When will a foundation move in a different direction or a company be sold to out-of-state investors? How many people will turn out to an event? Will rain keep people away?

That's why we have been looking to establish more reliable, predictable sources of revenue. That was the main reason behind

starting our Schreiber Endowment Fund in 2014, and it's why I'm asking you today to become a recurring donor to Schreiber. Our new Schreiber Stars Giving Circle offers donors the opportunity to make periodic online gifts. These recurring gifts make it easier for you to support Schreiber, and they reduce the amount of time and resources we have to spend on fundraising. Click on any DONATE button on our website, and you will go right to our online giving platform.

Just set it up once, and you're done. The donations will come in every quarter or every month, in whatever time frame and whatever amount you select. No more appeals letters. No more checks to send in. No more phone calls. Just a heartfelt thank you from us, on behalf of the thousands of children we serve.

So when you get to the remit card on the back page of this newsletter, please take a moment to think about that one-time payment you normally make. **Consider turning that one-time gift into a recurring donation, one that you can rest assured will help Schreiber kids all through the coming year and beyond.**

Summer at the Center

80th anniversary celebrated at Open House

The 80th Anniversary Open House helped us celebrate our birthday in June here at the Center. We had lots of fun and food, and we were happy to show off our high-quality therapy services. Thanks to the hundreds of visitors who joined us throughout the day.

Schreiber President James DeBord recognized the four winners of the I Love Schreiber Essay Contest during the open house in June. The winners, from left, were Jana Kuhns, Kathleen Steinbaeher with her grandson LJ Hamer, Earl Kreider and Libby Lucas.

Camps in full swing

Summer means camps at Schreiber, and this year's camps started in July with the 21st year of Camp Schreiber. Once again, we had nearly 50 kids for each of the five weeks of camp, and the days were filled with crafts, games, time in the pool and lots of fun entertainment. August brought the return of Club 625 Camp, Camp Kaleidoscope and Social Sense-Abilities Camp.

You never know who will show up at Camp Schreiber, as a Michael Jackson tribute performer entertains the campers.

Amber Sullenberger, a physical therapist, works with Sophia Robles.

Sophia Robles finds hope at Schreiber

Sophia Robles was barely 2 months old when her mother Malexi noticed something unusual about Sophia's movements. After doctors finally diagnosed her with cerebral palsy at age 2, Sophia started coming to Schreiber for more intense therapy. Her time at Schreiber has helped improve her physical challenges, and she has blossomed socially, too.

To read more of Sophia's story, visit the Schreiber Stories blog at www.schreiberpediatric.org/schreiber-stories.

A special thank you...

To the generous community organizations who fundraise on our behalf. Our friends at **Clark Associates Charitable Foundation** collected more than \$60,000 with their fourth annual Derby Day in May. Employees of **Fulton Financial's IT Department** dedicated an entire work day

in June to supporting us and generated more than \$7,000 (above). Laurie Fellenbaum's second-grade students at **Schaeffer Elementary School** raised more than \$4,000 for us this spring (below). These events and others brought nearly \$75,000 to the Center. We are grateful for the support.

We would like to invite you to become a member of the

Schreiber Stars Giving Circle.

As a **Schreiber Star**, you can make periodic recurring donations using a credit or debit card. Once you set up your membership, your contributions to Schreiber will come to us, and you won't have to do anything else.

Recurring donations will make it easier on your family or corporate budget by spreading out the payments. And these regular gifts will save us time and resources and give us a stable, predictable stream of revenue throughout the year.

Thanks to your gifts, a child will say their first words or take their first steps. They will learn to sit up or climb stairs without assistance. They will start the journey of reaching their fullest potential.

Become a Schreiber Star and set up your recurring gift today. Visit www.schreiberpediatric.org and click on **DONATE**.
