10th Annual Lititz Chocolate Walk

The Kiwanis Club of Lititz is helping turn disabilities into abilities on **Saturday, October 8th** at its Annual Lititz Chocolate Walk.

A "Chocolate for Charity" event, the Lititz Chocolate Walk brings together some of the region's most talented chefs and candy makers for a fun and unique way of raising money for local charities. Walkers follow their maps through historic downtown Lititz where chocolate treats are given out at each of the more than 25 "sweet stops." This fundraiser helped us to raise a sweet \$10,000 for the Center in 2010!

Buttons are on sale now at Schreiber Pediatric, throughout the greater Lititz Community and online at www.LititzChocolateWalk2011.com for \$20, and \$25 after September 15. Partial proceeds raised from the sale of Lititz Chocolate Walk buttons benefit the therapies and programs of Schreiber Pediatric Rehab Center.

From the Desk of Mr. J:

Since opening our doors in 1936, Schreiber and the children we serve have been continually blessed by our caring and generous community. During the past two months there have been two individual acts of kindness that deserve special recognition.

Recently, United Way has revised its participating agency agreement, permitting partners like the Center to approach local businesses seeking operating funds. In response to this change and to assist Schreiber in providing therapy services, the **James Hale and John Frederick Steinman Foundations** have generously awarded the center a four-year grant of \$25,000 annually. The grant is a one-for-two matching grant, guaranteeing that for **your two dollars donated, the Center will receive one dollar from the foundations...** helping us to raise an additional \$50,000 per year toward our therapy services.

The second gift came from **Mr. Allen Loss** (pictured above), the grand prize winner and recipient of a \$1,000 Visa card from the 23rd Annual Rubber Duckie Race™ and Festival. He graciously donated the \$1,000 prize back to the Center to help us provide services to our kiddos.

Both of these acts serve as an excellent example of the charitable community that continues to support our mission. Although they differ in dollar value, the gifts are equally reflective of the community support the Center has been blessed with over the past seventy-five years.

To all of our supporters, THANK YOU for making a difference in the lives of the thousands of children we see every day!

23RD ANNUAL RUBBER DUCKIE RACE™ & FESTIVAL

DECADE DUCKIES

The 23rd Annual Rubber Duckie Race™ and Festival was our most successful fundraiser in the history of the Center this year raising an amazing \$140,000 to benefit the children we serve at Schreiber.

The day was full of family fun and blue skies as children enjoyed our duckie games, pony rides, clowns, inflatables, face painting, BINGO, food vendors, music and much more! We had ten teams participate in the 5th Annual Duckie Dinghy Derby where team Greenfield Inn Restaurant & Bar took first place.

As our 25,000 rubber duckies took on the Conestoga River, Alan Loss' duck took first place, and duckie owners Frank Musso, H. Thomas Kirk, Nogel, Ellen Souders, Horizon Healthcare Services, Eric and Angie Lutz, Sky Fleming, Joe Sumpman, and Neal Migdon took home the other top ten prizes.

On behalf of the children that we serve, THANK YOU to our top sponsors, Susquehanna Bank, Donegal Mutual Insurance and Turkey Hill Minit Markets, generous donors, devoted duckie salespersons, committee members, festival volunteers, staff, board members, and all who lent a helping hand to make this event such a huge success.

SAVE THE DATE!
We hope to see everyone at next year's festival and duck drop on **Sunday, July 29, 2012!**

Gifts that Give Hope Fair

Looking to give the gift that keeps on giving this year? Schreiber has the opportunity to participate in the 2011 "Gifts that Give Hope" Fair. The fair allows not-for-profit organizations to submit a list of intangible gifts that visitors can purchase at this festive and community friendly event. Some gifts that will be available for purchase to support the Center include the cost of a respite care session, craft and other supplies for our Daycare and Preschool programs, and the underwritten cost of a 1 hour therapy session. The fair provides a great opportunity for Schreiber to share with the surrounding community information about each of the services we provide.

Holly Kutz — CFO of the Year (Central Penn Business Journal)

Congratulations to our very own Holly Kutz of Murray Risk Management and Insurance. Holly has served on the Schreiber Pediatric Board of Directors since September 1999, and currently serves on the Financial

Development Committee and as Chair of the Board Development Committee. Holly was honored at a reception on June 1st at York College of Pennsylvania with a nomination from the Central Penn Business Journal for Chief Financial Officer (CFO) of the year in the "Community Service" division. Nominations in this category were awarded due to an individual's significant contribution of time, talent and funds for the betterment of the community. Through her contributions as a board member at the Center and her involvement in our special events, Holly has continuously shown her support and dedication to our community at Schreiber! Congratulations, Holly, we are so proud of you!

Ralph Sheriff, Parking Lot Light

A big thanks to one of our board members, Ralph Sheriff, who donated and installed two new parking lot lights at the Center in preparation for the fall and winter months. We cannot thank you enough Mr. Sheriff for brightening our day, and our way!

Please Welcome New Staff!

The Physical Therapy Department at Schreiber is excited to welcome their new department supervisor, **Kristie Poley** of Holtwood.

Kristie received her Doctorate in Physical Therapy from Temple University and is also a Pediatric Clinical Specialist. In her free time, Kristin loves spending time with her family and doing anything outdoors.

An interesting fact about Kristie is that she was once a PA State gymnast champion.

Also, a warm welcome to a new physical therapist, **Laurie Miller** of Hommelstown. She completed her Doctorate in Physical Therapy at Lebanon Valley College. She resides in Harrisburg

but hopes to move to Lancaster in the next few months. In her free time, Laurie enjoys cheering on the Steelers and Phillies, and loves working at Schreiber because she gets to play and be a big kid every single day!

We are also pleased to welcome **Jennifer Getz**, **Brenda Miller** and **Sheryl Memo**, our new assistant group supervisors in the Day Care Program. Jennifer enjoys spending time with her black lab, Hoyte, named after Hoyte archery. Brenda loves horseback riding and is excited to be working at Schreiber. Sheryl is so happy to be at Schreiber and loves the kids and employees! Welcome ladies!

CAMP Schreiber Tribute 2011

I came to Camp Schreiber not knowing what to do, I was unsure of myself just between me and you. What I came across was something quite remarkable you know, There were several groups of people who made this event go!

The first group I want to describe is the amazing staff, Individuals who entertained, taught and easily made you laugh. They taught crafts with paper, paints and glue, They danced up a storm right in front of you, They read stories that entertained during the day, They would go out to the playground to chase and play They swam in the pool and splashed all for fun, They took you out to the rodeo under the sun They took all of you to most wonderful places, That brought smiles to so many faces, But most of all what I saw was their passion and care, for all the children who were there!

The 2nd group I describe are some amazing kids, Who showed us how to have a good time and not be limited, They created memory books, painted pictures and made crafts, They showed us great talents that made us laugh, They sang songs and shook their booties from side to side, They listened to stories in a tent and campfire inside, They went on the playground to chase, slide and swing, They went into the pool and splashed everyone and everything, They rode Sparky the pony and Liam the horse, They went bowling, to Dutch Wonderland and watched baseball of course,

But most of all what I saw was their smiles and laughs, As they tried to do everything that came from the staff!

The 3rd group I know you will want to hear, Were amazing people called volunteers, They were of all ages, both girls and boys, They acted as buddies and shared in the joys, They were there also every day, They helped with activities and of course to play, They acted as guides and were there to help out, They lent an ear to listen and if help was needed gave a shout, They tried to make sure the kids stayed on the straight and true, (But you know what happens when there are kids times 2,)

But most of all what I saw was their willingness to give time, To help these children and be part of their life!

The 4th group I describe last but they certainly are not the least, They are the support staff who never did cease, Their tireless efforts working with their kids Making sure every hour that the kids could do what they did, They helped maintain order that a child needs every day, Teaching them good behaviors on what to do or what to say, They also taught the children how to have fun, Playing games, on the playground, inside or under the sun But what I saw from them also was their care and passion, Shown every day in their thoughts and their actions!

So as can be seen it takes many to get this camp to function, It takes lot of passion, sweat and perhaps a bit of gumption. I came to Camp Schreiber not knowing that to expect, I leave the camp with friends and memories I will never forget.
