## 31<sup>st</sup> ANNUAL RUBBER DUCKIE RACE™ & FESTIVAL LANCASTER COUNTY CENTRAL PARK

**LOOKING BACK**

In April we brought back the popular Buck-A-Cup Campaign with more than two dozen participating restaurants, and together they raised nearly \$20,000.

Schreiberpalooza raised more than \$30,000 in May, making for another successful night

And we collected more than \$50,000 from Softball and almost \$25,000 from Phonathon in June.

*We're growing, and we'll need your help more than ever in the coming years. Learn why in James DeBord's letter on page 2.*

## No slowing down the growth of Schreiber

In the past few years, the team here at Schreiber has taken a lot of pride in doing our jobs better so we could better serve every child who needs us.

It turns out there are a lot of children who need us.

In June of this year, we saw more kids than we saw in June of 2018 and set a record for referrals for any month of June in our history. In May, same thing. In fact, every month for 24 consecutive months, we have been setting records in these year-to-year monthly comparisons.

**In short, we are seeing more kids than ever and the demand for our services has never been higher.**

We put a lot of resources into keeping up with that demand. We have improved our operations and added staff to reduce wait times. We have renovated our physical space to create offices for the additional therapists. We even moved a significant portion of our administrative staff into a new building that we started leasing a year ago to free up even more room for therapists.

All of that came with significant costs, and we appreciate everyone who has supported our efforts so far.

Even with all of your support and all of our hard work, the demand has not slowed. Wait times have started to creep back up. **Therapists are scheduled to the max.**

We have reached the point where we need a more ambitious plan. I'm excited to tell you we are in preliminary discussions with East Hempfield Township and some of our architecture and engineering friends on a proposal to build a three-story expansion on the west end of the center.

There's a meeting scheduled this fall with the township that could move us one step closer to having an approved expansion plan. We will tell you more about that soon.

**For now, we can say this would be the first major expansion at Schreiber in nearly 15 years, and it would require an investment of several million dollars.**

Schreiber's board of directors and top managers will head down this path with great care. Every decision we make will be done with two questions in mind: How can we reach more kids? And how can we improve our services?

And we know that you in this generous Lancaster County community will be walking with us, as you have so many times in the past.

For that, all of us here at Schreiber are grateful.

## An Ambassador's Story Matthew Denlinger

Matthew Denlinger, 6, suffered a traumatic brain injury as an infant, and his parents, Ron and Joan Denlinger, did not know then what his future held.

Matthew has been coming to Schreiber for nearly four years to receive occupational, physical and speech-language therapy. He has learned to climb stairs and ride bikes, to sing, answer questions and interact with friends. His bright, smiling

face has become a familiar one at Schreiber.

"People just don't understand the little, tiny miracles that are happening every day here," Joan Denlinger said. "It makes a world of difference for us parents to know that our kids are being helped so that they can function out there in the typical world. And this is the place that's making it happen."

Schreiber therapists have made a difference in the lives of the Denlingers. For as little as \$10 a month, you can make a recurring gift to Schreiber that supports the work of all of our therapists. Go to our website at [www.schreiberpediatric.org/donate](http://www.schreiberpediatric.org/donate), click on the green DONATE NOW button and set up your recurring gift. It's quick and easy, and your gift will benefit Matthew and thousands more Schreiber kids throughout the year.

### To our business friends:

## Support us with your EITC dollars

Schreiber was again approved to receive money from businesses that participate in the state's Educational Improvement Tax Credit Program. The program allows businesses to direct a portion of their state tax bill to eligible nonprofits. Your tax dollars can enhance the education of high school volunteers or provide scholarships to eligible families enrolled in our classrooms.

To include Schreiber in your giving, contact Kirk Blazic, director of finance and operations, at 717-393-0425 ext. 148 or [kblazic@schreiberpediatric.org](mailto:kblazic@schreiberpediatric.org).

# Summer at the Center

## Camps are in full swing

Summer means camps at Schreiber, and this year's camps started in June with the 24th year of Camp Schreiber. Once again, we had nearly 50 kids for each of the five weeks of camp, and the days were filled with crafts, games, time in the pool and lots of fun entertainment.

## Club 625 crew stayed busy

The youth in our Club 625 program hit Leisure Lanes for some cosmic bowling and spent some time with Cylo at a Barnstormers game in June.

## Front entrance renovation

We remade our main entrance in May and June, demolishing the existing portico and brick pillars and replacing them with a brighter, more open space. We'll add the final piece, the clear roofing tiles for the arch, in August.

To start your own fundraiser for Schreiber, contact Erica Croce at 717-393-0425 ext.105 or [ecroce@schreiberpediatric.org](mailto:ecroce@schreiberpediatric.org).

## A special thank you

... to those who contributed to the Atlee Hall Drive to \$1 Million campaign that helped us push our Schreiber Endowment Fund past \$1 million in June. Atlee Hall kicked off the campaign in January with a gift of \$10,000, we received several contributions at our Gala in March, and a second \$10,000 from Atlee Hall partner Jaime Jackson put us over the top.

... to the generous community organizations who fundraise on our behalf. In May, our friends at **Clark Associates Charitable Foundation** donated an astounding \$175,000 to Schreiber through their seventh annual Derby Day event. Laurie Fellenbaum and the second-grade students at **Schaeffer Elementary School** ended their fifth year of fundraising for us with a total of \$14,000. And in July, employees of **Fulton Financial's IT Department** once again dedicated an entire work day to fundraising for Schreiber, collecting more than \$10,000. These events and others bring nearly \$200,000 to the Center each year.

... to the hundreds of volunteers who support us throughout the year. Like these great folks from **Cargill**, who spent a day at Schreiber trimming bushes and weeding outside our new satellite office at 610 Community Way.

## HERE'S AN EASY WAY TO HELP: ★

### Become a member of our Schreiber STARS Giving Circle.

As a Schreiber Star, you can make periodic recurring donations using a credit or debit card.

You can choose the amount and the frequency of these recurring donations, so it will make it easier on your family or corporate budget by spreading out the payments. And these regular gifts will save us time and resources and give us a stable, predictable stream of revenue throughout the year.

Your support allows us to provide the therapy services that our families need to improve the quality of their lives and

their children's. With your help, a child will say their first words or take their first steps.

They will learn to sit up or climb stairs without assistance. Or, like Matthew, they will start the journey of reaching their fullest potential.

Become a Schreiber Star and set up your recurring gift today. Visit [www.schreiberpediatric.org](http://www.schreiberpediatric.org) and click on DONATE.
