**From the Desk of
James DeBord,
Schreiber President**

Many of you have probably seen or heard about our intention to expand our building on Community Way. As you read this, hopefully we will have received approval from East Hempfield Township to move forward with our plans to build a three-story, 20,000 square-foot addition.

Why do we want to expand? The reason is simple: **We are out of space to meet the current demand for our services.**

How we make it happen is a little more complicated.

The estimated cost of the project is \$7 million: \$6 million for construction, and another \$1 million for our endowment to cover the ongoing costs of managing our larger space and hiring more staff. That \$7 million will be a record amount of money for Schreiber to raise.

And we will have to do it while continuing to raise the \$2 million we need every year to serve every family that walks through our door every day. Any decline in that fundraising puts enormous pressure on us to maintain the services that are so important to so many.

You can expect to see us doing the work we do every year: from this week's Schreiberpalooza concert event and our Gala in March, to the revived Buck-a-Cup Campaign and Softball Weekend this spring, to this year's Rubber Duckie Race, which kicks off this year with a new Ducks and Trucks event here at Schreiber in June (see the details on page 3).

At the same time, we will be launching the capital campaign to raise the funds we need for expansion. As we're preparing to do all of that, we are also launching our new behavioral health program, set to open in March, because there's a need for those services in the community.

From the first day Edna Schreiber opened her clinic 84 years ago this month in February of 1936, **this organization has been meeting the needs of the most vulnerable among us.**

We begin 2020 filled with excitement and anticipation of what's ahead. These next two to three years will be particularly challenging. We are grateful for all of you who have been with us so far, and we know that with you traveling next to us we will continue to make Schreiber a treasure for all of central Pennsylvania.

Thank you again for all you do!

Meet the 2020 Schreiber Ambassadors

Every year, we select a group of kiddos to serve as our Schreiber Ambassadors and use their stories to help us tell our story. This year, we have five amazing kids who are learning to achieve their fullest potential. Please say hello to the 2020 Schreiber Ambassadors.

David Albino

David Albino, who turned 5 in January, was born with cerebral palsy. He started services with Schreiber when he was an infant, and now receives all three therapies and attends Schreiber's S.T.A.R.S. preschool. He and his parents, Damaso and Rebecca Albino, live in Lititz.

Cooper Brubaker, who is 6 years old, was born with skeletal dysplasia, a rare form of dwarfism. He receives occupational therapy, working on building strength and endurance in his muscles. He has been coming to Schreiber for a little more than a year. He and his parents, Justin and Nicole Brubaker, live in Penn Township near Manheim.

Cooper Brubaker

Jalaya Cooper

Jalaya Cooper, who turned 10 in January, was diagnosed with hypotonia (low muscle tone) at the age of 7 months. She has received therapy to treat that and help her overcome a series of developmental delays since. She receives all three therapies at Schreiber. She and her parents, Alex Cooper and Sandra Myers, live in Lancaster.

Elle Haines

Elle Haines, who turns 6 in May, was diagnosed with autism spectrum disorder and receives all three therapy services at Schreiber, and previously attended S.T.A.R.S. preschool. She works on lots of skills at Schreiber. Elle lives with her parents, Randall and Leah Haines, in East Hempfield Township.

Gabriel Morales

Gabriel Morales, who turned 5 in November, comes to Schreiber as a result of developmental delays that have affected his speech and left him with sensory processing issues. At Schreiber, he has learned how to speak more clearly and to overcome a lot of his sensitivities. Gabriel lives with his parents, Luis and Evelyn Morales, in Lancaster.

Thanks to your contributions, we raised **more than \$82,000** from more than 640 online donations, the second-highest amount and the most donations in the seven years of our participation in the Give. To everyone who supported us during this year's Extra Give, thank you.
