# IMPACT REPORT FY25

# Letter from the President

We are delighted to present the Schreiber Center for Pediatric Development's FY25 Impact Report. This year was marked by continued growth and innovation as we introduced new therapy programs, camps, and recreational services—all designed to enrich the lives of the children and families we serve. Our commitment to delivering life-changing therapy services remained stronger than ever, helping children across our region reach their fullest potential.

# Center Overview

## Vision

We envision a community where every child has the opportunity to reach their fullest potential, supported by our compassionate and dedicated team that believes in every child's inherent worth and limitless possibilities.

## Mission

Our mission is to enrich the lives of children with disabilities, developmental delays, and acquired injuries through family-centered education and therapy.

# Therapy Highlights

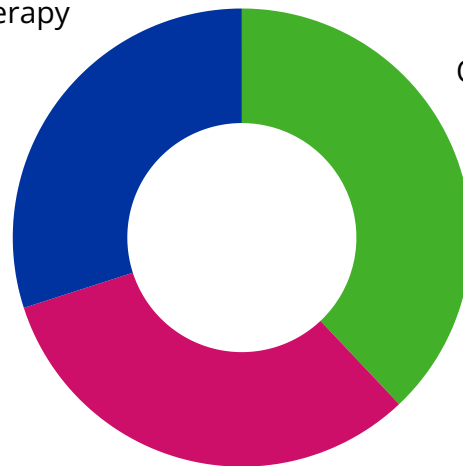

At the Schreiber Center, we offer a comprehensive range of therapy services tailored to meet the unique needs of each child. Our approach is holistic, integrating physical, occupational, and speech-language therapy to support the developmental growth of every child we serve.

In FY25, our therapists provided:

- 12,914 hours of occupational therapy (OT)
- 9,714 hours of physical therapy (PT)
- 8,851 hours of speech-language therapy (SLT)

## **Family Support Programs**

- We understand that raising a child with special needs can be both rewarding and challenging. We offered caretakers six evenings of respite, providing care to 138 children and more importantly providing parents and caregivers with a well-deserved break.

## **Independent Activities of Daily Living**

- 18 teens completed a twelve-week cohort designed to teach activities of daily living aimed at boosting confidence, developing social skills and preparing for education and workforce transitions.

# Endowment Funds

The generosity of our community makes this work possible, ensuring that financial barriers never prevent a child from receiving care. Together, we continue to create a place where children are supported, families are strengthened, and futures are filled with possibility.

# Family Testimonials

The success of the Schreiber Center is best reflected through the experiences of the families we serve. Their testimonials provide meaningful insight into the effectiveness of our programs and the profound impact on their children's development. We are honored to share a selection of their stories, which exemplify the dedication, progress, and partnership central to our mission.

**Gavin's Dad,  
Greg**

We chose Schreiber very intentionally. It is the best place we have found for Gavin.

**Sirus' Mom, Danielle**

I am thankful to Schreiber for literally changing Sirus' life, and ours.

**Zoey's Dad,  
Matt**

Schreiber has helped Zoey experience the world in a way that wouldn't be possible without their support.

**Ryley's Mom,  
Vanessa**

Without Schreiber, I don't think Ryley would be where she is today physically or in her independence.

# Thank You Schreiber Heroes

Philanthropy enables healthcare organizations like the Schreiber Center to ensure that all children, regardless of their ability to pay, have access to necessary therapies. For nearly 90 years, our community has helped underwrite the cost of uncompensated care. Gifts from our 'Schreiber Heroes' play a vital role in promoting equity in healthcare and improving outcomes for vulnerable populations.
