

KIDS HELPING KIDS

**Something you love doing
could help another kid.**

What will you do?

This guide belongs to:

Help kids like you.

Schreiber kids have favorite games and things they want to learn, just like you.

Some practice talking with friends. Others work on getting dressed or moving around more easily.

Schreiber helps them practice. Your fundraiser helps make that possible.

Something I'm learning to do: _____

What sounds fun?

Sell lemonade.

Serve something refreshing while helping other kids.

Make something.

Make and sell bracelets, bookmarks or other creations.

Celebrate your birthday.

Invite your friends to donate to Schreiber instead of giving presents.

Team up.

Ask your teacher about a classroom coin collection.

Read for a cause.

Pick a reading goal. Invite donations to celebrate finishing.

Try your own idea!

The money we raise helps kids learn new skills. Will you join us?"

Make a sign that stands out.

Give your fundraiser's name a big spot. Add when and where it's happening, plus: *Benefiting Schreiber Center for Pediatric Development*

Help the news travel.

Tell people you know. Ask your grown-up to share your invitation with others.

Don't Forget.

Have your grown-up check your sign with Schreiber before sharing it.
